AUTONOMOUS
MOWING ROBOTS™

RC MOWERS
REDEFINING THE BUSINESS OF MOWING

KEEP YOUR AMR READY FOR ACTION

Your AMR is built for consistent, predictable performance—keep it running that way. AMR Part Kits put the right parts in your hands, helping maintain steady output and minimize downtime.

BUILT TO KEEP YOU OPERATING:

- Simplify maintenance with bundled, service-based kits.
- Keep critical wear parts on hand and ready.
- Maintain consistent performance across every job.
- Reduce unexpected downtime and interruptions.
- Built for how AMRs actually operate in the field.

AVAILABLE KITS:

PREVENTATIVE MAINTENANCE KITS
